

UK INNOVATOR FOUNDER VISA ASSISTANT

Influencer Marketing Brief

ABOUT THE PLATFORM

The UK Innovator Founder Visa Assistant is Britain's first AI-powered visa application platform, launched November 2025. It transforms the complex 5,000-15,000 GBP immigration lawyer process into an accessible, guided experience for entrepreneurs worldwide.

THE PROBLEM WE SOLVE

- UK visa applications are notoriously complex with 50+ page requirements
- Immigration lawyers charge 5,000-15,000+ GBP per application
- 40% of applications fail due to documentation errors
- Applicants often wait months only to be rejected for preventable mistakes
